Crestron Asia Singapore Office Relocation

Provide the most innovative idea and one-stop service

Crestron Asia has established over 13 regional offices among the Asian regions. The regional offices are located in Hong Kong, Bangalore, Beijing, Chengdu, Guangzhou, Seoul, Macau, Kuala Lumpur, Mumbai, New Delhi, Shanghai, Shenzhen, Singapore and Taiwan respectively to provide clients all over Asia with the best and comprehensive after-sale service, technical support and customized total system solution.

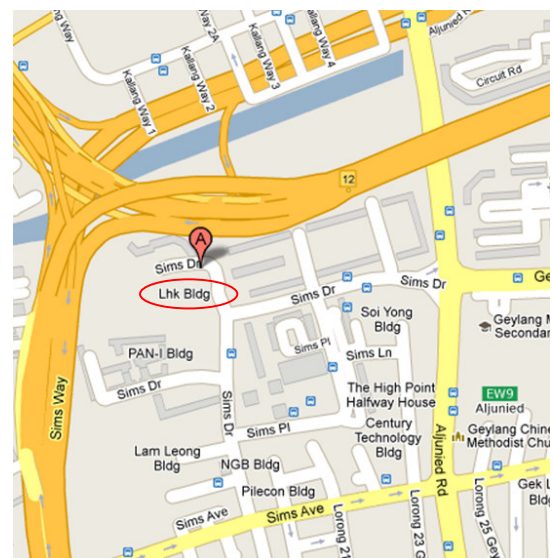

April 18, 1997 - Crestron Asia, a subsidiary of Crestron Electronics, USA the world leader in remote control systems, has opened an office in Singapore. In order to further augment Crestron services for customers in one of the world's most influential technological centers. Singapore Office has relocated to:

701 Sims Drive, #01-04 LHK Building, Singapore 387383

Tel: (65) 6846 0215 / 6846 0217

Fax: (65) 6846 0216

The new SG office not only provides sales and technical support, but also innovative idea; one stop service to clients and dealers in this fast growing market. A spacious and equipped training room which provide a professional training (CTI Training, DMC-E Training) to engineers; and a well development showcase gallery makes customers to understand Crestron's products easier.
